Nurturing a Culture of Responsible Research in the Era of Open Science, INTE-Meeting and Workshop, 24-25 May 2018, University of Geneva

CAMPUS BIOTECH

==24 May== *(@room H8-01)*

5:30pm: Start of the Workshop: "Nurturing a Culture of Responsible Research in the Era of Open Science"

5:30pm-7:00pm: Round Table "Open Science and Scientific Integrity: Challenges and Opportunities"

- Prof. **Michelle Bergadaà**, Director of International Institute for Research and Action on Academic Fraud and Plagiarism, UNIGE (https://responsable-academia.org/en/)
- Dr. **Aysim Yilmaz,** Responsible for Open Science at Swiss National Science Foundation (http://www.snf.ch/en/researchinFocus/dossiers/open-science/Pages/default.aspx)
- Dr. **Jean-Claude Burgelmann**, Head of Unit Open Data Policy and Science Cloud, DG RTD (per video from Bruxelles)
- Prof. **Bruno Strasser**, Citizen Science Center, UNIGE (http://biologie.unige.ch/en/the-section/the-networks/science-education/)
- Prof. **Christoph Renner**, Vice-dean of the Faculty of Sciences, UNIGE (https://www.unige.ch/sciences/en/)

Moderator: Dr. **Laure Ognois**, Director of the Research Services, UNIGE (https://www.unige.ch/recherche/en/qui-sommes-nous/liste-de-collaborateurs/laure-ognois/)

7:00pm-10:00pm: Apéro + Dinner *(@restaurant Côté Lac)* - (speakers and INTE TG representatives are invited and participants also are invited to join on their own expenses)

==25 May== *(@room H8-01)*

9:45am-10.00am: Dr. Pierre Willa, LERU UNIGE Senior Officer and **Dr. Laure Ognois**, Director of the Research Services, UNIGE

10:00am-10:45am: Institutional Framework and Responsibilities: Facing Open Science's challenges and assuring quality of research, Dr. **Danny Kingsley**, Deputy Director, Scholarly Communication & Research Services, Cambridge University Library University of Cambridge (http://www.csap.cam.ac.uk/network/danny-kingsley/)

10:45am-11:15pm: **Role, Responsibilities and Strategies of Funding Agencies**, **Open Access @ snsf**, **Tobias Philipp**, Scientific Advisor Swiss National Foundation

11:15am-12.00pm: Discussion

12:00pm-1:30pm: Lunch

1:30pm-4:30pm: Interactive World Café: Setting the "right" support system for researchers: How to support and improve data management so that researchers can live up to responsible research practices and open science *(@rooms H8-01, H8-01E, H8-01D)*

1:30pm-1:45pm: Introduction, Dr. **Laure Ognois,** Director of the Research Service, UNIGE *(@room H8-01)*

1:45pm-16:00pm: World Café *(participants will be involved in all 4 workshop tables - @rooms H8-01, H8-01E, H8-01D)*

- **Infrastructures and Services**, Dr **Ignasi Labastida,** University of Barcelona   and Dr. **Pierre-Yves Bürgi,** Head of DLCM, University of Geneva https://www.dlcm.ch/about-us/team
- **Research Evaluation and Research Assessment**, Dr. **Ochsner Michael**, (http://forscenter.ch/en/about-us-2/staff-3/michael-ochsner/   - http://www.psh.ethz.ch/personen/michael-ochsner.html)
- **Impact and Society, Roger Pfister**, The Swiss Academies of Arts and Sciences, Permanent Working Group Sciences and Ethics, ALLEA (http://www.allea.org/permanent-working-group-science-ethics/) and Dr. **Dorian Karatzas**, Head of the European Commission's Ethics and Research Integrity Sector, DG Research and Innovation, European Commission (https://www.vitae.ac.uk/events/event-presenters/isidoros_karatzas)
- **Limits of Open Science: Sharing your data. Utopia or Dystopia?** Prof. Rens van de Schoot, Faculty of Social and Behavioral Sciences, Utrecht University (www.rensvandeschoot.com)

4:00pm-4.30pm: Outcomes of the World Café *(@room H8-01)*

4:30pm-5:00pm: Wrap-up and Perspectives *(@room H8-01)*

5:00pm: End of the Workshop
